**To Whom It May Concern:**

**When I was officially notified of this new law, it was received on Saturday, July 29, 2000.**

**All day I have been on the phone listening to IRS messages that I should call back later. The Memphis office finally answered and told me that they no longer give EIN's by telephone, but that I could get it from Atlanta. I FAXed my application before noon (copy enclosed) to the FAX number in their recording, but I have received nothing from them.**
